

Informal to Formal.....

SAMPLE: I really agree with what Geoff Petty says about differentiation.

Petty has a strong argument concerning the impact of differentiation.

Some of the students are very badly behaved.

When someone's got dyslexia you need to give them extra support.

I don't think the way we assess students when they first come to the college is very good.

There's a lot of issues around equality and diversity that we don't really think about in my area. We're doing it but we don't show it.
